EDUCATION

Budge Budge Institute of Technology

B.Tech. Mechanical Engineering

July 2020 - July 2023

GPA: 7.9/10.0

Budge Budge Institute of Technology

Diploma Mechanical Engineering

Aug 2017 - July 2020

GPA: 8.9/10.0

EXPERIENCE

Frontend Developer

DeepThought Edutech Ventures

April 2023 - Present

Hyderabad

- Developed and implemented a Profile Dashboard for enrolled members, showcasing their daily cycle, increased member engagement by 40% and retention by 25% within the first quarter.
- Implemented performance optimizations with jQuery, achieving a 30% reduction in page load time, boosting user retention and satisfaction, guaranteeing swifter access to content and seamless navigation across the application
- Revitalized team dynamics by leading a group of 12 professionals, assigning responsibilities, optimizing task distribution, and accelerating productivity by 30 percent through targeted process improvements and strategic performance management.
- Implemented *Bootstrap* and *Figma* skills to transform a UI design, resulting in a 20% improvement in website user engagement on the company's platform.
